Indie record label Coconut Spaceship Announces 3rd Indie Music Festival JUNE GLOOM

Los Angeles, CA -- Indie record label Coconut Spaceship and Niantic Media are presenting JUNE GLOOM indie music festival on June 25, 2022 at Oracle Tavern in Chinatown, Los Angeles from 6:00pm to 2:00am. The event will feature 15 live music acts on 2 stages, a DJ, art vendors and visuals by MONOVISION. A selection of delicious beers, craft ciders and wine will be available from Oracle Tavern and food will be available from [Say It Ain't So](#).

JUNE GLOOM is the third indie music festival of a seasonal concert series presented by Coconut Spaceship and Niantic Media. Showcasing LA's premiere indie underground talent at a unique downtown location, the "spaceship" serves as a vehicle to support local artists through creative live experiences that unite the community through immersive music and art. Their inaugural festival LUNAR BLOOM debuted last Fall and the follow-up TOUCH DOWN occurred last Spring. Each drew 300+ guests with coverage by local media outlets including *Reckless Magazine*, KCSN 88.5FM, *LA Music Scene*, *Notes from Vivace*, and [Blurred Culture Magazine](#) who wrote, "Coconut Spaceship Stokes the Independent Fire with Lunar Bloom Festival."

JUNE GLOOM festival continues Coconut Spaceship's mission of supporting indie artists and creating an inclusive lineup with 50%+ acts including at least one woman or non-binary artist in their lineups. A huge discrepancy between genders still exists widely among music festival billing, especially with headlining artists, and Coconut Spaceship's goal is to solve that problem.

In honor of PRIDE month, raffle tickets will be sold with 100% proceeds to be donated to [TRUE COLORS UNITED](#), an organization backed by Cyndi Lauper that implements innovative solutions to youth homelessness that focus on the unique experiences of LGBTQ young people. One lucky winner will get a pair of Eargasm Earplugs' stylish new High Fidelity earplugs, [CLICKS](#), plus a Coconut Spaceship t-shirt.

The festival will showcase 15 live music acts spanning indie rock, synth pop, shoegaze, and punk. *Pitchfork* and *LA Weekly* featured rock fortress [Taleen Kali](#) will be headlining the outdoor GLOOM stage. Other local artists include up-and-coming synth-pop duo [System Exclusive](#) of

Castleface Records (Thee Oh Sees, Ty Segall, King Gizzard) and neo-psych rock band [Westerner](#) who were called “one of the best bands in Los Angeles” by *Music Connection*.

Discounted pre-sale tickets are available on [Eventbrite](#) through June 24th (\$25 GA / \$35 VIP) and full-price tickets will be available at the door on June 25th (\$30 GA / \$40 VIP). VIP tickets include access to the VIP + Artist Only *CHEER UP LANAI* located near the outdoor GLOOM stage, featuring water from Liquid Death and complimentary foam earplugs from [Eargasm Earplugs](#). Ticket sales support local artists and small businesses directly. The full lineup is as follows:

About Coconut Spaceship:

Coconut Spaceship is a Venice Beach based record label and creative marketing company specializing in consulting, promoting and developing emerging Los Angeles artists and businesses. Coconut Spaceship provides a platform for artists to connect, develop and collaborate on creative projects to bring artistic visions to life while expanding their universal reach. Founded by Bolivian-American musician & creative entrepreneur Jeanna Fournier, she brings her unique experience as a performance artist and music industry professional with 10 years of experience helping record labels like Redwing Records and Planet LA Records to manage business, productions, and artists including 10-time Grammy Award winning musician Bonnie Raitt. Coconut Spaceship merged with Softer Sex Productions who presented Softer Nights at The Satellite, the Tom Petty tribute show “Tom Pretty” and some of the most women-friendly lineups across Los Angeles at Hotel Cafe, Madame Siam, Harvard & Stone, and

more. Coconut Spaceship will expand on Softer Sex Productions' commitment of promoting women and non-binary individuals in music by creating an inclusive space for people of all backgrounds, identities, and genres to connect, share and enjoy live music while bridging artists and listeners together through creative experiences that uplift the human spirit and mind.
